

Request For Information: Vendor Checklist (RFI)

| | Facilities System: | | | |
|------|---|-----|----|-----|
| | Vendor: | | | |
| | Date: | | | |
| Item | Indicator | Yes | No | N/A |
| 1. | Does the system, as a requirement for its operation, have any chemicals integral to the unit? If yes, attach list. | | | |
| 2. | If "yes" to Item 1: | | | |
| | a. Does the system contain any chemical which is regulated by 29 CFR 1910.119, "Process Safety Management of Highly Hazardous Chemicals" or The EPA Clean Air Act Amendment Section 112(r)? | | | |
| | b. If "yes" to 2b, does the quantity meet or exceed the Threshold Quantity per the Standards? ** | | | |
| | c. Is/are the chemical(s) a suspect or known human carcinogen? ** | | | |
| | d. Is/are the chemical(s) a chlorofluorocarbon or an ozone depleting chemical (ODS)? ** | | | |
| | e. Is/are the chemical(s) an ethylene based glycol ether? ** | | | |
| | f. Does/do any chemical(s) required for system calibrations or maintenance and mandated by the vendor, meet any of the above criteria in Items 2a - 2f? | | | |

** If any one of these questions is a "yes," the equipment/system will not be permitted for use at Intel.
